

Fibrous materials and the environment: Current challenges in a changing world

2nd international fibentech congress

Universidade de Beira Interior

Covilhã - Portugal

February 11 – 13, 2027

Registration Guidelines for Participants

The present document indicates and details the necessary information for participants about the on-line registration process to attend the congress (**Hybrid Event**).

The participant should access to the **registration form** using the appropriate link available on the congress website to fill it out and submit. If a participant has more than one oral/poster presentation a registration form should be submitted for each accepted presentation, but the applicable fees^{1,2,3} must be selected only in the first registration form. Then, the financial services of Universidade da Beira Interior will issue the appropriate **invoice**, which will be sent by email to the registered participant for payment. The payment must be performed by **wire-bank transfer** to the IBAN indicated in the invoice. After payment, the participant should send the **proof of payment** to the congress secretariat email fibentechcongress@ubi.pt to conclude the registration.

The registered participant is entitled to:

- Congress Kit (book of abstracts, bag, badge, notebook, pen)
- Program agenda brochure
- Access to all the oral and poster sessions
- Coffee breaks and lunches
- Certificate of participation
- Congress dinner (optional)

Participant Category	Early-Bird 18/07/26 to 31/12/26	Standard 01/01/27 to 31/01/27
Student (Oral/Poster Presentation) ¹	250€	350€
